I. ORIENTATION							
Presented at Ambulatory Services/UMG Orientation: E-mail; Internet; Kronos							
Presented at Ambulatory Services/UMG Orientation: Performance Evaluation Process							
Presented at Ambulatory Services/UMG Orientation: Electronic version of Ambulatory Service Manual & Health Administration Manual							
Locates:							
Safety Manual							
Infection Control Manual							
Decentralized Lab Manual							
Lab Procedure Manual							
Drug Sample Log Book							
UMG Practice Manual-binder and electronic version							
Understands vacation/time off request protocol for unit							
See Unit Specific Page							
II. SAFETY/INFECTION CONTROL							
Presented at Health Center Clinical Orientation							
Locates emergency equipment							
Demonstrates ability to activate codes							
Disposes of needles/sharps/catheters in designated containers per protocol							
Demonstrates appropriate use/disposal of red bag waste							
Maintains clean, organized and safe environment							
Promotes culture of safety; identifies and documents concerns

using safety reporting.							
Locates link to Patient Safety Net							
Participates in routine checking of emergency cart supplies and equipment, and orders replacement supplies as needed.							
Locates fire extinguishers							
Locates fire alarm pull boxes on unit							
See Unit Specific Page							
III. EQUIPMENT							
Utilizes standard unit specific technology and advance technology as appropriate.							
Operates the following equipment according to protocol:							
Computer							
Expediter Call System							
Telephone/beeper system							
Patient Lift System							
See Unit Specific Page							
IV. DOCUMENTATION/COMMUNICATION							
Presented at Ambulatory Services/UMG Orientation: Phone Etiquette							
Documents data in patient medical record per protocol							
Reviews schedules for patient appointments							
Documents triage interactions							
Documents medications, performance of procedures, patient responses, & instructions.							
Completes lab requisitions accurately and correctly							
Completes radiology requisitions accurately and correctly
