

Flowsheet Feedback Needed!

The new flowsheets will be coming to Med 4, Med-Surg 5, Onc 6 and Surgery 7 soon, and we want your input! Drop by at on one of the following sessions, stay a few minutes or stay the whole time. If you can't make a session feel free to mark up a flowsheet with your suggestions and put it under my door (H-4004) or give it to me or Deb Cratty in person. I look forward to seeing you soon! Please call (x7684) or email with any questions or concerns.
