

## Living with a Brain Tumor: Enhancing Quality of Life

*A Program for Patients and Families*

The third annual FRED COHEN MEMORIAL SYMPOSIUM is an educational program designed to support patients and families as they navigate their way through the often stressful impact of brain tumor diagnosis and treatment.

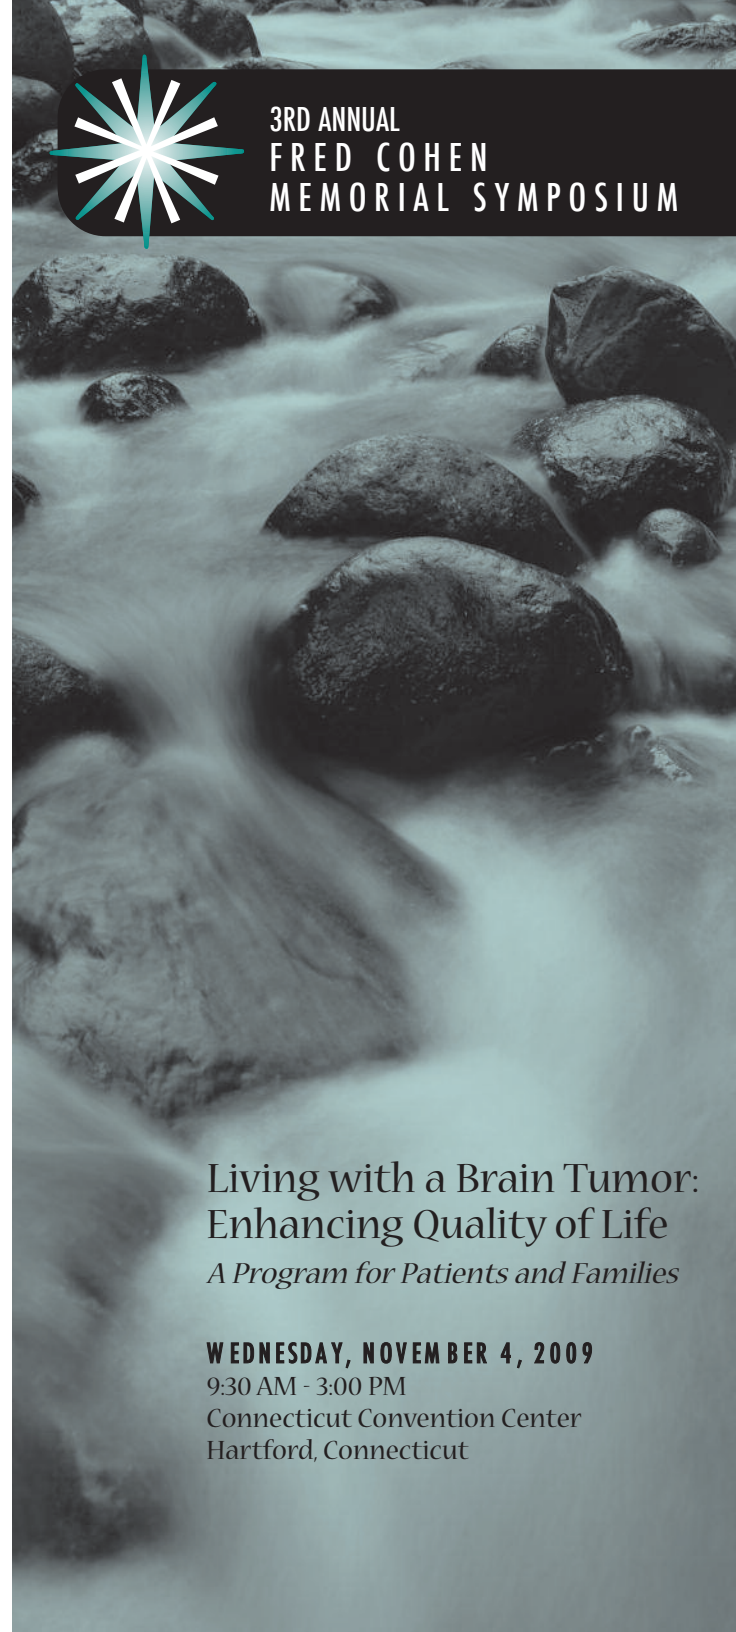

Fred Cohen  
1944-2006

Fred Cohen was a devoted family man and innovative business owner whose passions included music, running, skiing, motorcycling and being with the people he loved. When he was diagnosed with a glioblastoma, he continued to live with grace, strength, dignity and laughter. This Symposium honors his life and is made possible by generous donations from family, friends, Millwood Lumber, The CT Brain Tumor Alliance, and the Helen & Harry Gray Cancer Center.
